To the extent possible, such procedures shall provide that when such a good accompanies a national or resident of the other Party who is seeking temporary entry, the good shall be released simultaneously with the entry of that national or resident.

6. Each Party shall permit a good temporarily admitted under this Article to be exported through a customs port other than that through which it was admitted.

7. Each Party shall provide that the importer or other person responsible for a good admitted under this Article shall not be liable for failure to export the good on presentation of satisfactory proof to the importing Party that the good has been destroyed within the original period fixed for temporary admission or any lawful extension.
