4. A Party may unilaterally accelerate the reduction or elimination of customs duties set out in its Schedule in Annex 2-A at any time if it so wishes. The Party shall notify the other Party through a diplomatic note immediately after completion of the internal procedures required for the amendments to enter into force.

In accordance with the WTO Agreement, originating goods of the other Party shall be eligible, at the time of importation, for the most-favored-nation (hereinafter referred to as “MFN”) applied rate of customs duty for those goods in a Party, where that rate is lower than the rate of customs duty provided for in that Party’s Schedule in Annex 2-A. Each Party shall make publicly available any amendments to the MFN rate on the internet.
6. For greater certainty, a Party may:

  - (b) not be sold or leased while in its territory;
  - (c) be accompanied by a security or guarantee in an amount no greater than the customs duties, taxes, fees, and charges that would otherwise be owed on entry or final importation, releasable on the exportation of the good;
  - (d) be capable of identification when imported and exported;
  - (e) be exported on the departure of the person referred to in subparagraph (a), or within such other period related to the purpose of the temporary admission as the Party may establish, unless extended;
  - (f) be admitted in no greater quantity than is reasonable for its intended use; and
  - (g) be otherwise admissible into the Party's territory under its laws and regulations.

2. Each Party shall ensure the transparency of its non-tariff measures permitted in paragraph 1 and shall ensure that any such measures are not prepared, adopted or applied with a view to, or with the effect of, creating unnecessary obstacles to trade between the Parties.

#### **Article 2.9: General Elimination of Quantitative Restrictions**

1. Except as otherwise provided in this Agreement, neither Party shall adopt or maintain any prohibition or restriction other than duties, taxes or other charges, whether made effective through quotas, import or export licenses or other measures, on the importation of any good of the other Party or on the exportation of any good destined for the territory of the other Party, except in accordance with its rights and obligations under the relevant provisions of the WTO Agreement. To this end, Article XI of GATT 1994 is incorporated into and made part of this Agreement, *mutatis mutandis*.

1. A Party may request technical consultations with the other Party (hereinafter referred to as the “requested Party”) on a measure the Party considers to be adversely affecting its trade. The request shall be in writing and shall clearly identify the measure and the concerns as to how the measure adversely affects trade between the Party requesting technical consultations (hereinafter referred to as the “requesting Party”) and the requested Party.

2. Where the measures are covered by another Chapter, its Chapter-specific consultation mechanism shall be used, unless otherwise agreed between the Parties.

3. Except as provided in paragraph 2, the requested Party shall respond and enter into technical consultations within 60 days after the receipt of the written request referred to in paragraph 1, unless otherwise determined by the Parties, with a view to reaching a mutually satisfactory solution within 180 days of the request. Technical consultations may be conducted via any means mutually agreed by the Parties.

4. If the requesting Party considers that the matter is urgent or involves perishable goods, it may request that technical consultations take place within a shorter time frame than that provided for under paragraph 3. Nothing in this paragraph shall be construed to prevent a Party from applying sanitary and phytosanitary (hereinafter referred to as “SPS”) measures.

5. The technical consultations under this Article shall be without prejudice to the rights and obligations pertaining to dispute settlement proceedings under Chapter Ten (Dispute Settlement) and the WTO Agreement.

#### **Article 2.11: Import Licensing**

1. Each Party shall ensure that all automatic and non-automatic import

licensing procedures are implemented in a transparent and predictable manner, and applied in accordance with the *Agreement on Import Licensing Procedures*, in Annex 1A to the WTO Agreement (hereinafter referred to as the “Import Licensing Agreement”). Neither Party shall adopt or maintain a measure that is inconsistent with the Import Licensing Agreement.

2. Promptly after entry into force of this Agreement, each Party shall notify the other Party of any existing import licensing procedures. The notification shall include the information specified in Article 5.2 of the Import Licensing Agreement. A Party shall be deemed to be in compliance with this paragraph if:

- (a) it has notified that procedure to the WTO Committee on Import Licensing provided for in Article 4 of the Import Licensing Agreement together with the information specified in Article 5.2 of the Import Licensing Agreement; and
- (b) in the most recent annual submission due before the date of entry into force of this Agreement for that Party to the WTO Committee on Import Licensing in response to the annual questionnaire on import licensing procedures described in Article 7.3 of the Import Licensing Agreement, it has provided, with respect to that procedure, the information requested in that questionnaire.

3. Before applying any new or modified import licensing procedure, a Party shall publish the new procedure or modification on an official government internet site. To the extent possible, the Party shall do so at least 21 days before the new procedure or modification takes effect.

4. The notification required under paragraph 2 is without prejudice to whether the import licensing procedure is consistent with this Agreement.

5. No application shall be refused for minor documentation errors which do not alter the basic data contained therein. Minor documentation errors may include, but are not limited to, formatting errors (for instance, the width of a margin or the font used) and errors with spelling which are obviously made without fraudulent intent or gross negligence.

6. Each Party shall, to the extent possible, answer within 60 days all reasonable enquiries from the other Party with regard to the criteria employed by its respective licensing authorities in granting or denying import licenses. The importing Party shall publish sufficient information for the other Party and traders to know the basis for granting or allocating import licenses.

7. If a Party denies an import license application with respect to a good

of the other Party, it shall, on the request of the applicant and within a reasonable period after receiving the request provide the applicant with an explanation of the reason for the denial.

#### **Article 2.12: Fees and Formalities Connected with Importation and Exportation**

1. Each Party shall ensure, in accordance with Article VIII:1 of GATT 1994 that all fees and charges of whatever character (other than import or export duties, charges equivalent to an internal tax or other internal charge applied consistently with Article III:2 of GATT 1994, and antidumping and countervailing duties) imposed on or in connection with importation or exportation are limited in amount to the approximate cost of services rendered and do not represent an indirect protection to domestic goods or a taxation on imports or exports for fiscal purposes.

2. Each Party shall promptly publish details of the fees and charges that it imposes on or in connection with importation or exportation and shall make such information available on the internet.

3. Neither Party shall require consular transactions, including related fees and charges, in connection with the importation of a good of the other Party. Neither Party shall require that any customs documentation supplied in connection with the importation of any good of the other Party be endorsed, certified or otherwise sighted or approved by the importing Party's overseas representatives, or persons or entities with authority to act on the importing Party's behalf, nor impose any related fees or charges.

#### **Article 2.13: Sanitary and Phytosanitary Measures**

1. The Parties reaffirm their existing rights and obligations with respect to each other under the *Agreement on the Application of Sanitary and Phytosanitary Measures*, in Annex 1A to the WTO Agreement taking into account relevant decisions of the WTO Committee on Sanitary and Phytosanitary Measures and international standards, guidelines and recommendations.

2. The Parties shall encourage technical cooperation and communication in the field of SPS issues subject to the availability of appropriate resources.

1. The Parties reaffirm their existing rights and obligations with respect to each other under the *Agreement on Technical Barriers to Trade*, in Annex 1A to the WTO Agreement.
2. The Parties shall strengthen their cooperation in the fields of standards, technical regulations, and conformity assessment procedures with a view to increasing the mutual understanding of their respective systems and facilitating access to their respective markets. The Parties will seek to identify, develop, and promote trade facilitating initiatives regarding standards, technical regulations, and conformity assessment procedures that are appropriate for particular issues or sectors as agreed upon by the Parties on the mutually determined terms and conditions.
